Prague has officially called time on organised pub crawls in an effort to reduce the number of rowdy tourists taking over its streets. The city, famous for its historical charm and buzzing nightlife, has long been a hotspot for party-seeking visitors. But in recent years, the wild behavior of some tourists has become too much to handle, especially for locals trying to enjoy their city.

布拉格正式宣布，禁止城市裡組織酒吧巡遊，希望此做法能減少街頭鬧事。布拉格這座城市以歷史魅力和豐富的夜生活聞名，長期以來都是尋求狂歡的遊客的熱門目的地。但近年來，一些遊客的瘋狂行為已經變得難以控制，尤其是對於當地居民來說。

Authorities decided it was time to hit pause on **pub crawls**, which have been blamed for a rise in public drunkenness, noise complaints, and even property damage in the city center. These tours, designed to take groups of tourists from one bar to the next, often encourage heavy drinking, resulting in late-night chaos that disturbs residents and businesses alike.

布拉格當地政府決定是時候暫停這類酒吧巡遊了，酒吧巡遊大幅增加了公共場合裡的醉漢、噪音投訴甚至財產損壞案子也變多了。這些巡遊團的領隊會帶團員從一個酒吧到另一個，鼓勵大量飲酒，結果造成深夜的混亂，打擾了居民和商家。
